Introduction

Brighton International is a contemporary school was founded in the year 2010. Brighton is promoted by a group of individuals involved with premier education in Central India for the past two decades. Brighton aims to provide a stimulating learning environment through comprehensive facilities and an enriching inquiry-based curriculum. **The School at Shahdol is Brighton International School Franchise and is proposed to be affiliated with CBSE, Delhi.** The serene setting of the school amidst lush green environment proves perfectly conducive for learning, while the internationally styled architecture reflects our philosophy of moulding our students into world citizens. The School is located just at the outskirts of Shahdol on the Pali Road Near Akashvani Kendra prodding easy access to students residing in different parts of Shahdol and around. Our pedagogy and infrastructure gives us an opportunity to groom a child from Playgroup to Senior level. At Brighton, we seek to create an open and creative community where all are valued, supported and challenged to be the best they can possibly be.

The Name & The Emblem

Brighton derives its name from an amalgamation of two words Bright & Nation. Array of these two words in the same order defines our objective behind starting this enterprising endeavor. The Emblem of Brighton brings to life the vision of this ennobling project. The color blue and the combination of pen nibs used in the emblem reflects the contemporary and eternal impact of education which we want to bring in our student's life by our invigorating and innovative methods.

Our Mission & Vision

Inspiring young minds to develop critical thinking, problem solving skills and enthusiasm for life long learning. Nurturing a caring and compassionate outlook through the value of teamwork, leadership and social responsibility. Promoting the spirit of inquiry, cultivating open-mindedness and developing inter-cultural understanding. Imparting international education that is globally relevant through recognized curriculum. Fostering holistic, integrated learning opportunities through a learning centric approach

Our vision is to build our nation and children's future by meeting the educational needs of TODAY with the traditional wisdom of YESTERDAY and the technology of TOMORROW. Tomorrow's citizens will have to be able to survive in a much more challenging and fast paced environment. At Brighton International School we want every single one of our students not only to survive but also to flourish in meeting these challenges.

Campus

Located at Shahdol (Madhya Pradesh), Brighton International School is centred in a surrounding suitable induce learning and growth. It is just at the outskirts of Shahdol behind the Forest barrier near the Akashvani Kendra. The Campus is located on a 5 acres sprawling campus and is proposed to house 2000 students in the near future. The campus is endowed with a new age academic block, multiple sports grounds, courts and a state of the art Swimming Pool along with a very modern and integrated indoor Sports complex. The building has been designed by architect from Raipur who has designed several large scale school and educational infrastructure.

The School is equipped with large 500 square feet classrooms with adequate provision for ventilation and light. The building with its modern infrastructure brings together state of the art classrooms fitted with interactive digital boards packed with multimedia animated content. The academic block comes equipped with a massive space meant for school assembly and other co-curricular activities along with excellent facilities for providing clean potable drinking water and ultra hygienic sanitation.

Facilities

The New Generation Classroom

Our classrooms are an extension of our mantra of always trying to maintain a lively inquisitive spirit amongst our students. Each of the classrooms comes equipped with Promethean Interactive Whiteboard, Projector, Server Connected CPU & animated modules calibrated to the CBSE syllabus. The entire technology into these classrooms is supplied by Teach next, one of the leaders in India in this field. The academic building is constructed in such a way that each of the classroom get a view of their own with ample light and cross ventilation. The concept of fun is woven through lively colours, comfortable seating arrangement and notice boards.

Facilities

While designing the school building we have kept our students well being and development at the helm of our concerns. Our school building today is equipped with a colourful Pre Primary Section, Playroom, fun filled Library with multi media content, Computer Lab (wi-fi campus), Music Lab, Dance Studio, Art and Craft Room, Activity Areas, Science Labs, Toilets, Rest Room and Multipurpose Hall.

The Curriculum - CBSE Pattern*

We follow Complete Comprehensive Evaluation guidelines to monitor the progress of each student. We employ our own methods to teach students.

Focus on Individual

Maximum students in one classroom is 30. At Brighton, we make sure a student gets due attention while studying or playing. We strictly maintain a ratio of more than 1.8 teachers per section. We also follow our personality development tracker TAB which helps us to understand the strengths and weaknesses of each child separately. Personal counselling is a part of the pedagogy at Brighton.

Activity Based Education

Curriculum beyond text books. Special activities are custom made for students to help them learn while having fun. Students can choose from a range of hobbies to shape their interests. Brighton strictly follows Play-way method to impart education. The lesson planning is done weeks in advance and the parents are informed about the same through the planner 'SKED'.

Focus on Co-Curricular

Academic year is filled with activities. Events & activities are designed to educate and enthuse at the same time. The entire session features a slew of activities for students to participate thereby honing their stage and performance skills. Activities range from debate to sports competitions. The students also runs a Tri-Monthly new letter called 'RAYS' which features the best of the articles from the students.

Quality Faculty

Meeting students' individual academic and other development needs lies at the heart of the school's faculty team. Faculty aims to build each child's self esteem, increase their engagement in the curriculum and remove any barrier that might hinder learning and achievement. Putting forth a ratio of 1.5 teachers per classroom. The faculty is involved in a constant dialogue with parents and is accessible to students all the time.

Mindspark

To help students showcase their talent and nurture their potential is the essence of Mind Spark. Mindspark is a 3 day literary, art & craft and performance extravaganza will be conducted by Brighton International School, Shahdol every year by calling students from across the country to participate in the festival.

FACULTY

The faculty of Brighton International School, Shahdol will shape the Brand Brighton in the city. Each faculty member will be both a teacher and a scholar, an expert in his or her own field. The faculty of Brighton International School, Shahdol will consist of full time highly qualified teachers, who have extensive teaching experience in their respective fields.

Each staff member will also undergo rigorous training from Brighton corporate team, which is going to act as a thread that will ensure a uniformity in curriculum and teaching across the Brighton umbrella. The staff will not only impart instruction through the regular teaching periods, but will also engage with students in a variety of other ways, whether it is to conduct the morning assembly, bring out school publications, arrange and participate in cultural shows, or just simply arrange visits.

Brighton's initiative

MOBILE APP

With the Brighton International School mobile app and desktop School Communication tool available, each and every parent stays updated with the day to day working of school, academic initiatives and relevant information

SKED

This is Brighton's curriculum which is the annual academic and non academic calendar. SKED takes care of the all-round personality development of the student.

HOUSES

The four houses of the school Alpha, Bravo, Charlie and Delta are always competing healthily with each other round the year to win the coveted best-house trophy by participating in a mix of literary, sports, creative & performing arts competition.

Brighton Dialogues

Brighton Dialogues is a monthly edu-letter which is provided to each parent from the school's side. Dialogues touches upon several aspects of parenting around the year and this wonderful idea has found many loyal readers.

Sparkles & Theme Days

Sparkles is Brighton Bi-Annual Function which showcases the best of Brighton's talent, Brighton International School also organises class level theme celebration where each student from primary classes perform. Brighton has also been using innovative week long celebration such as Independence week and Health week to educate students about the importance of both these themes in their lives.

Kindle

Kindle is Brighton's home grown Life - Skills education curriculum, helping students to be more aware about basic skills they should have like Cookery, Travel, Meditation, Taking care of belongings, Money transaction etc.
